

HIRE JENN TO SPEAK

What comes after *extraordinary?*

After a semi-truck crashed into her SUV in 2018, **Jenn Drummond** stopped saving her life for later. That question took her to the world's highest mountains and back to the boardroom. On stage, your people are the hero. Her mountains are just the setup.

CREDENTIALS

- Guinness World Record holder: first woman to climb the Seven Second Summits
- First woman to climb the highest and second-highest peak on every continent
- Founded and exited a wealth management firm
- Mother of seven · TEDx speaker
- Author of *BreakProof* and *SOMEDAYS* (Jan 12, 2027)

Vision to Victory

TURNING AUDACIOUS GOALS INTO EXTRAORDINARY RESULTS

From founding and exiting a business to making mountaineering history: how vision, calculated risk, resilience and the right team turn ambitious goals into results.

Your people leave with a framework for deciding under pressure.

02

People Over Peaks

REDEFINING SUCCESS THROUGH RELATIONSHIPS

What good is reaching the summit if there's nobody to share it with? Ambition, the people who make achievement meaningful and the legacy we build together.

Your people leave with a shared language for trust on high-stakes teams.

03 · NEW

Somedays

THE ART OF TURNING SOMEDAY INTO TODAY

You've achieved so much. What have you been saving for someday? The gap between achievement and aliveness, and how to turn meaningful intentions into action.

Your people leave with a named someday, a date, and a partner to do it with.
